 - (3) to do all or any of the acts referred to in sub-paragraphs 1.1(F)(1) to 1.1(G)(2) above,

exercise of my put rights in connection with the Subsidiary Shares, and I shall notify the Bidder immediately of any resulting disposal or change in the number of Shares, Awards or Subsidiary Shares set out in Schedule 1 and Schedule 2; and

- (2) references in this paragraph 1.1(G) to any agreement, arrangement or obligation shall include any such agreement, arrangement or obligation whether or not subject to any conditions or which is to take effect upon or following the Acquisition becoming Effective or lapsing or being withdrawn or upon or following this undertaking ceasing to be binding or upon or following any other event; and

2. SCHEME

2.1 I irrevocably and unconditionally undertake that, if the Acquisition is implemented by way of the Scheme:

- (A) I shall exercise, or, where applicable, procure the exercise of, all voting rights attaching to the Shares on any resolution (whether or not amended and whether put to a show of hands or a poll) which is proposed at any general meeting (including any separate class meeting) of the Company (including any adjournment, postponement or reconvention thereof) ("**General Meeting**") or at any meeting (including any separate class meeting) of holders of Ordinary Shares convened by a Court (as defined below) (including any adjournment, postponement or reconvention thereof) ("**Court Meeting**"):
 - (1) the passing or rejection of which is necessary to implement or ensure the implementation of the Acquisition (which shall include any resolution to approve the Scheme);
 - (2) which relates to an acquisition or any other transaction which (i) is proposed by any person other than the Bidder (a "**Third Party**"); and (ii) would or might reasonably be expected to compete with, impede, delay, or frustrate the implementation of the Acquisition or have any adverse impact on the fulfilment of the Conditions (which shall include, for the avoidance of doubt, any resolution to approve a scheme of arrangement relating to the acquisition of any shares in the Company by a Third Party); or
 - (3) which relates to the proposed adjournment of the General Meeting or the Court Meeting or relates to the proposed amendment of the terms of the resolutions to be proposed at the Court Meeting or the General Meeting, in each case, where the same would or could reasonably be expected to impede, delay, or frustrate the implementation of the Acquisition,

in each case, only in accordance with the Bidder's instructions and I will not exercise, or allow the exercise of, any of the voting rights attached to the Shares at the Court Meeting or the General Meeting other than in accordance with this undertaking;

- (B) I shall exercise, or, where applicable, procure the exercise of, all rights attaching to the Shares to requisition or join in the requisitioning of any general meeting of the Company for the purposes of voting on any resolution referred to under paragraph

2.1(A) above, or to require the Company to give notice of any such meeting, only in accordance with the Bidder's instructions;

- (C) for the purpose of voting on any resolution referred to under paragraph 2.1(A) or 2.1(B) above, I shall, if required by the Bidder in reasonable time before the cut-off time for the filing of proxy instructions in connection with the relevant vote, execute or, where relevant, procure the execution of any form of proxy or make such other voting instrument or appointment required by the Bidder appointing any person nominated by the Bidder to attend and vote at the relevant meetings;
- (D) without prejudice to paragraph 2.1(C), and in the absence of any such requirement by the Bidder, I shall after the posting of the circular to be sent to shareholders of the Company containing an explanatory statement in respect of the Scheme (the "**Scheme Document**") (and without prejudice to any right I have to attend and vote in person at the Court Meeting and the General Meeting), return, or procure the return of, if applicable, the signed forms of proxy enclosed with the Scheme Document (completed and signed and voting in favour of the resolutions to approve the Scheme and implement the Acquisition) in accordance with the instructions printed on those forms of proxy and, if applicable, in respect of any Shares held in uncertificated form, take or procure the taking of any action which may be required in order to make a valid proxy appointment and give valid proxy instructions (voting in favour of the resolutions to approve the Scheme and implement the Acquisition), as soon as reasonably possible and in any event within five Business Days after the posting of the Scheme Document;
- (E) I shall not, and shall procure that any registered shareholder of Shares from time to time shall not, amend, revoke or withdraw the terms of any proxy executed or returned in accordance with paragraphs 2.1(C) and/or 2.1(D), either in writing or by attendance at any Court Meeting or General Meeting or otherwise, and if I attend the Court Meeting and/or the General Meeting in person, I shall vote in favour of the resolutions to approve the Scheme and implement the Acquisition;
- (F) I shall: (a) promptly, following a written request from the Bidder, supply the Bidder with all such necessary information at my disposal reasonably required by the Bidder in respect of me or the Shares (but excluding any information about the Company) in connection with the implementation of the Scheme in order for the Bidder to comply with the Applicable Requirements; and (b) as soon as reasonably practicable, notify the Bidder in writing of any material change in the accuracy of any information relating to the Shares previously supplied to the Bidder by me pursuant to this clause; and
- (G) If the Scheme is modified with the agreement of the Company, I confirm and agree that this undertaking will continue to be binding *mutatis mutandis* in respect of the Shares.

3. OFFER

- 3.1 I note that the Bidder has the right, with the consent of the Takeover Panel, and subject to the terms of the Cooperation Agreement, to implement the Acquisition by way of an Offer. If it is so implemented, I confirm and agree that this undertaking will continue to be binding *mutatis mutandis* in respect of the Acquisition and Shares and all references to the Scheme will, where the context permits, be read as references to the Offer.
- 3.2 Notwithstanding the generality of the foregoing, I irrevocably and unconditionally undertake, if the Acquisition is implemented by way of an Offer, to the Bidder that:

- (A) upon the Offer being made, I will accept or, where applicable, procure the acceptance of the Offer in respect of the Shares and transfer the Shares free from all Encumbrances in accordance with the terms of the Offer;
- (B) I shall as soon as possible and in any event within seven Business Days after the posting of the formal document containing the Offer (the "**Offer Document**") (or, in respect of any shares allotted to me or which I otherwise acquire after the posting of the Offer Document, within five Business Days of such allotment or acquisition) duly accept or procure acceptance of the Offer in accordance with its terms in respect of the Shares and, in respect of any Shares held in certificated form, shall forward the relevant share certificate(s) to the Bidder or its nominated representative (or a form of indemnity acceptable to the directors of the Company in respect of any lost certificate(s)) at the time of acceptance and, in respect of any Shares held in uncertificated form, shall take any action which may be required to make a valid acceptance of the Offer in respect of the Shares;
- (C) notwithstanding any of the terms of the Offer Document or the Code which confer rights of withdrawal on accepting shareholders, I shall not withdraw or permit the withdrawal of any acceptance of the Offer in respect of the Shares or any of them and shall procure that no rights to withdraw any acceptance in respect of such Shares are exercised;
- (D) I shall: (a) promptly, following a written request from the Bidder, supply the Bidder with all such necessary information at my disposal reasonably required by the Bidder in respect of me or the Shares (but excluding any information about the Company) in connection with the implementation of the Offer in order for the Bidder to comply with the Applicable Requirements; and (b) as soon as reasonably practicable, notify the Bidder in writing of any material change in the accuracy of any information relating to the Shares previously supplied to the Bidder by me pursuant to this clause; and
- (E) I will continue to be bound by and comply or, where relevant, procure compliance, with the provisions of paragraphs 2.1(A)(1), 2.1(A)(2), 2.1(B), 2.1(C) and 2.1(E), as if references therein to the Scheme were, to the extent applicable, references to the Offer, notwithstanding that the Acquisition is not being implemented by way of the Scheme.

4. PUBLICITY

4.1 I acknowledge and consent to:

- (A) the inclusion of references to me and the registered holder(s) of any of the Shares and particulars of this undertaking being set out in the Announcement (if made), the Scheme Document and any Offer Document (if applicable), as required by the Code; and
- (B) this undertaking being published on a website as required by the Code.

4.2 I further acknowledge that I am obliged to make appropriate disclosure under Rule 2.10(c) of the Code promptly after becoming aware that I will not be able to comply with the terms of this undertaking or no longer intend to do so.

5. SECREC Y

5.1 I will, save as required by law or any rule of any relevant regulatory body or stock exchange, keep secret the terms and conditions of the Acquisition (to the extent I am made aware of them) and the existence and terms of this undertaking until the Announcement is released.

- 5.2 I will not base any behaviour in relation to any securities or other qualifying investments which would amount to market abuse for the purposes of the Criminal Justice Act 1993 or the retained EU law version of the Market Abuse Regulation (596/2014) onshored to the UK by the European Union (Withdrawal Agreement) Act 2020 (as amended from time to time), the Market Abuse (Amendment) (EU Exit) Regulations (SI 2019/310), and various other statutory instruments ("**MAR**"), on such information.
- 5.3 I will comply with the applicable restrictions in the Criminal Justice Act 1993 or MAR, or any other applicable legislation, on dealing in securities and disclosing inside information. The obligations in this paragraph will survive termination of this undertaking.

6. MISCELLANEOUS

- 6.1 The obligations and provisions set out in this undertaking (which are capable of applying to such persons) apply equally to the persons from whom I am to procure votes in favour of the resolutions to implement the Acquisition pursuant to paragraph 2.1(A) above or acceptance of the Offer pursuant to the terms of paragraph 3.2(A) above (as the case may be) and I shall procure the observance by such persons of the terms hereof as if they were each specifically a party hereto, if and to the extent that the provisions of this undertaking are capable of applying to them.
- 6.2 If I fail to comply with my obligations pursuant to paragraphs 2 or 3.2, I irrevocably appoint the Bidder (acting by any director of the Bidder) to be my attorney to execute on my behalf proxy forms for any Court Meeting or General Meeting or forms of acceptance to be issued with the Offer Document in respect of the Shares (as applicable) and to sign, execute and deliver any other deeds or documents and to do all acts and things, in any such case as may be necessary for the purpose of giving effect to my obligations under this undertaking. Such appointment will take effect two Business Days following notice by the Bidder that I have failed to comply with my obligations pursuant to paragraphs 2 or 3.2 in this undertaking and any relevant deadlines set out therein. This power of attorney is given by way of security for my obligations hereunder and is irrevocable until this undertaking lapses in accordance with its terms.
- 6.3 This undertaking shall not oblige the Bidder to announce or proceed with the Acquisition.
- 6.4 This undertaking will lapse and shall cease to have any effect:
- (A) where the Announcement indicates that the Acquisition is to be implemented by way of the Scheme, the Scheme lapses or is withdrawn (or has not become Effective at or before the long stop date which is agreed between the Bidder and the Company as referred to in the Announcement (the "**Long Stop Date**")) unless either (x) it is withdrawn or lapses in connection with an Agreed Switch (as defined in and in accordance with the terms of the Cooperation Agreement) or (y) a public announcement has (subject to receiving the Panel's consent, if required, and any applicable terms of the Co-operation Agreement) been made by the Bidder at or before the time of or within five Business Days after such lapse or withdrawal (or, as the case may be, at or before the Long Stop Date) in relation to the Bidder or a person acting in concert with the Bidder having elected to implement the Acquisition by way of the Offer; or
 - (B) if the Bidder announces, with the consent of the Panel, that it does not intend to proceed with the Acquisition by way of the Scheme unless either (x) the same occurs in connection with an Agreed Switch (as defined in and in accordance with the terms of the Cooperation Agreement) or (y) a public announcement has (subject to receiving the Panel's consent, if required, and any applicable terms of the Co-operation Agreement) been made by the Bidder at or before the time of or within five Business Days after

such announcement in relation to the Bidder or a person acting in concert with the Bidder having elected to implement the Acquisition by way of the Offer and such announcement is followed promptly by an announcement of the Offer pursuant to Rule 2.7 of the Code,

and in any such case, neither the Bidder (including any person acting in concert with the Bidder) nor I shall have any claim against the other (without prejudice to any rights or liabilities which may have arisen due to any breach of this undertaking prior to it ceasing to have effect).

- 6.5 For the avoidance of doubt, nothing in this undertaking shall oblige the Bidder to make any increased, revised, amended or improved offer.
- 6.6 Nothing in this undertaking shall constitute an obligation on me, in my capacity as a director of the Company, to take any action which is not permitted by Practice Statement No 29 issued by the Takeover Panel with respect to Rule 21.2 of the Code.
- 6.7 If I fail to comply with any of the undertakings contained herein, damages may not be an adequate remedy and accordingly the Bidder shall be entitled to seek the remedies of specific performance, injunction or other equitable relief.
- 6.8 Any time, date or period mentioned in this undertaking may be extended by mutual agreement between the Bidder and me but as regards any time, date or period originally fixed or so extended as aforesaid, time shall be of the essence.
- 6.9 No amendment or variation will be made to this undertaking unless in writing signed by the Bidder and me.
- 6.10 This undertaking shall be binding upon my successors and permitted assigns and, in case of death or incapacity, on my estate and personal representatives.
- 6.11 This undertaking contains the whole agreement between the Bidder and me relating to the subject matter of this undertaking at the date hereof, to the exclusion of any terms implied by law which may be excluded by contract and supersedes any previous agreement, draft agreement, arrangement, understanding or undertaking (whether in writing or not) relating to the subject matter of this undertaking. I acknowledge that I have not been induced to sign this undertaking by any representation, warranty or undertaking not expressly incorporated into it. I accept, acknowledge and confirm that I have been given adequate opportunity to consider whether or not to enter into this undertaking and to obtain independent advice accordingly.

RECOMMENDED CASH ACQUISITION

of

**ALPHA GROUP INTERNATIONAL PLC
("ALPHA")**

by

**CORPAY, INC.
("CORPAY")**

to be effected by means of a Scheme of Arrangement under Part 26 of the Companies Act 2006

Summary

- The boards of Corpay and Alpha are pleased to announce that they have reached agreement on the terms of a recommended cash acquisition of the entire issued and to be issued ordinary share capital of Alpha by Corpay.
- Under the terms of the Acquisition, each Alpha Shareholder will be entitled to receive:

for each Alpha Share: 4,250 pence in cash
- The Acquisition Price values the entire issued and to be issued ordinary share capital of Alpha at approximately £1,805 million on a fully diluted basis and represents a premium of approximately:
 - 55% to Alpha's undisturbed share price of £27.45 per share on 1 May 2025 (being the last Business Day before Corpay's announcement on 2 May 2025 that it was in discussions with Alpha in relation to a possible cash offer for Alpha); and
 - 71% to Alpha's volume-weighted-average price of £24.81 per share for the one-month period ended 1 May 2025.
- The terms of the Acquisition imply an enterprise value of Alpha of £1,610 million.
- The Acquisition is intended to be effected by means of a scheme of arrangement under Part 26 of the Companies Act (the "**Scheme**"), or if Corpay elects, with the consent of the Panel and subject to the terms of the Co-operation Agreement, by way of a Takeover Offer.
- If any dividend and/or other distribution and/or other return of value or capital is authorised, declared, made or paid or becomes payable in respect of Alpha Shares on or after the date of this Announcement, Corpay reserves the right to reduce the Acquisition Price by the aggregate amount of such dividend and/or other distribution and/or other return of value or capital.

Background to and reasons for the Acquisition

Corpay regularly evaluates opportunities to expand its cross-border business and is excited about the opportunity to acquire Alpha. This marquee acquisition will bring together the complementary strengths of both organisations, uniting Alpha's European regional capabilities and alternative banking solutions with Corpay's global scale and operational excellence. Corpay has significant respect for Alpha and its management and believes that the cultural alignment of the two businesses will create significant long term value for clients, partners, employees and other stakeholders.

Alpha's two business segments are particularly appealing to Corpay. Alpha has built a fast growing Corporate FX business with operations across Europe, Canada and Australia which is complementary to Corpay's existing cross-border business. Further, acquiring Alpha will also unlock new opportunities for Corpay within Alpha's Private Markets segment, where Alpha currently has a stronger European presence. The Private Markets segment targets a large addressable market sector and provides exposure to institutional fund clients, an underserved client segment for Corpay today. Alpha's deep client relationships and advisory-led approach will complement Corpay's scale, technology, geographic reach and financial capabilities.

The Acquisition will further progress Corpay's strategic objective to accelerate its cross-border growth, while continuing to enhance its product capabilities and breadth. Corpay anticipates that, by offering both prospects and clients a more comprehensive product portfolio, greater opportunities will be unlocked within the combined client bases of both Alpha and Corpay. In addition, Corpay believes that its leadership team has the experience to execute a seamless integration process with minimal disruption to customers.

The acquisition of Alpha presents an exciting opportunity to create an enhanced cross-border platform positioned to serve clients more effectively, and benefit from increased scale and accelerated growth prospects. Corpay is enthusiastic about the opportunities which the Acquisition presents and looks forward to leveraging the combined strengths of Corpay and Alpha to achieve its long-term strategic goals. It is Corpay's belief that the Acquisition will deliver significant value to all stakeholders. Corpay expects that the Acquisition will deliver meaningful revenue and expense synergies, be accretive to revenue growth, and be at least \$0.50 accretive to Corpay's cash EPS in the 2026 financial year.

Background to and reasons for the Alpha Directors' recommendation

Alpha, an award-winning global provider of financial solutions, has a proven record of achieving double digit top line growth through its high-tech, high-touch approach and focus on delivery of long-term value for corporate and private market clients. This success has been driven by a team of over 500 talented professionals across 11 international offices, united by a high-performance culture that fosters growth, innovation and shared rewards.

Alpha's core strategy is to drive strong and durable organic growth through: (i) growing its client base by expanding into existing and new markets, whilst developing its products and services to cater for a broader range of client needs; and (ii) retaining existing clients and growing wallet share by increasing the value added and services offered to them. The Alpha Board believes these factors combine to produce a substantial runway for future growth, which can deliver significant value to shareholders over time, notwithstanding execution and market risks.

In assessing the offer, the Alpha Board has considered Alpha's different revenue streams: (i) core group revenues; and (ii) net treasury income. The Alpha Board has also considered the value of cash on balance sheet. Having considered the offer across a range of different valuation methodologies, the Alpha Board believes that the Corpay offer represents a highly attractive opportunity to realise a certain cash value now that is fully reflective of the future growth opportunity and the strategic value of the Alpha Group. This can be seen through the very high premia that the offer represents relative to a range of

recent trading benchmarks with or without an adjustment to reflect the value of the Alpha cash on its balance sheet on a pound-for-pound only basis (i.e. with no premium on the cash).

The Corpay Offer implies a premium of approximately:

- 55% (67% on a cash adjusted basis) to Alpha's undisturbed share price of £27.45 per share on 1 May 2025 (being the last Business Day before Corpay's announcement on 2 May 2025 that it was in discussions with Alpha in relation to a possible cash offer for Alpha); and
- 71% (90% on a cash adjusted basis) to Alpha's volume-weighted-average price of £24.81 per share for the one-month period ended 1 May 2025.

Further, the Corpay offer implies a 45% share price CAGR since Alpha's IPO on 7 April 2017 at £1.96 per share.

Since inception, Alpha has placed a premium on, and invested significant resources in developing, a team-focused high-performance culture which has been essential to the company's success. In assessing the offer, the Alpha Directors have assessed Corpay's intentions for the broader business, management, employees and other stakeholders, placing particular emphasis on how this culture will be maintained, and how the interests of employees will be safeguarded. The Alpha Board believes that the combined business will create highly attractive opportunities for management and employees to grow within the combined organisation.

Accordingly, following careful consideration of the above factors, the Alpha Directors intend unanimously and unconditionally to recommend the Acquisition to Alpha Shareholders.

Alpha Directors' recommendation

- The Alpha Directors, who have been so advised by Centerview and Peel Hunt as to the financial terms of the Acquisition, unanimously consider the terms of the Acquisition to be fair and reasonable. In providing their advice to the Alpha Directors, Centerview and Peel Hunt have each taken into account the commercial assessments of the Alpha Directors. Centerview and Peel Hunt are providing independent financial advice to the Alpha Directors for the purpose of Rule 3 of the Takeover Code.
- Accordingly, the Alpha Directors intend unanimously to recommend that Alpha Shareholders vote in favour of both the Scheme at the Court Meeting and the Special Resolution. The Alpha Directors have irrevocably undertaken to do so in respect of their own beneficial holdings (and those of certain of their connected persons) in respect of which they control the voting rights.

Irrevocable undertakings

- Corpay has received irrevocable undertakings from each of the Alpha Directors who holds Alpha Shares to vote in favour of both the Scheme at the Court Meeting and the Special Resolution in respect of their own beneficial holdings in respect of which they control the voting rights amounting, in aggregate, to 772,282 Alpha Shares, and representing approximately 1.83% of Alpha's issued ordinary share capital at close of business on the Latest Practicable Date (or, if the Acquisition is implemented by way of a Takeover Offer to accept or procure acceptance of the Takeover Offer).
- Corpay has also received an irrevocable undertaking from Morgan Tillbrook to vote, or procure the vote, in favour of both the Scheme at the Court Meeting and the Special Resolution in respect of his entire beneficial holding of Alpha Shares (excluding any Pledged Shares transferred for the purposes of satisfying awards in accordance with the Linking Deed) amounting, in aggregate, to 5,076,898 Alpha Shares, and representing approximately 12% of Alpha's issued ordinary share capital at close of business on the Latest Practicable Date (or, if the Acquisition is implemented by way of a Takeover Offer to accept or procure acceptance of the Takeover Offer).

- In total, therefore, irrevocable undertakings to vote in favour of the Scheme and the Special Resolution have been received from Alpha Shareholders controlling, in aggregate, 5,849,180 Alpha Shares, which represents approximately 13.83% of the ordinary share capital of Alpha in issue on the Latest Practicable Date.
- All of the above irrevocable undertakings remain binding even in the event of a competing offer for Alpha at a price higher than the Acquisition Price.
- Further details of these irrevocable undertakings are set out in Appendix III to this Announcement.

Timetable and Conditions

- The Acquisition will be put to Alpha Shareholders at the Court Meeting and at the General Meeting. In order to become Effective, the Scheme must be approved by a majority in number of the Scheme Shareholders voting at the Court Meeting, either in person or by proxy, representing at least 75% in value of the Scheme Shares voted. In addition, a special resolution implementing the Scheme and approving certain other matters must be passed by Alpha Shareholders representing at least 75% of votes cast at the General Meeting.
- The Acquisition is subject to the further conditions and terms set out in Appendix I to this Announcement. It is expected that, subject to the satisfaction or waiver of all such conditions, the Scheme will become Effective during the fourth quarter of 2025.
- The Scheme Document, containing further information about the Acquisition, and notices of the Court Meeting and the General Meeting and the expected timetable of the Scheme, together with the Forms of Proxy, is expected to be published as soon as reasonably practicable and in any case (save with the consent of the Panel) within 28 days of this Announcement and it will be made available by Alpha www.alphagroup.com and Corpay at www.corpay.com.
- It is Alpha's expectation and intention that the Court Meeting and General Meeting will be held on 2 September 2025.

Commenting on the Acquisition, Ronald Clarke, CEO of Corpay said:

"We couldn't be happier to acquire Alpha. This transaction meaningfully expands our relationships with investment managers and results in four Cross Border customer segments: corporates, financial institutions, investment funds and digital currency providers.

We're acquiring Alpha for three reasons. First, it's a large, highly complementary, fast growing corporate payments asset with good prospects. Second, Alpha is a leading provider of alternative bank accounts to European-based investment managers. There is significant runway to expand those investment manager relationships into the US and Asia with our help. The banking account product and Alpha's technology extend our Cross Border solution set and further diversifies our revenue streams. And third, we expect the acquisition to be highly EPS accretive in 2026."

Commenting on the Acquisition, Dame Jayne-Anne Gadhia (DBE, CVO), Chair of Alpha said:

"As Chair of Alpha I am delighted that Corpay has made an offer for the business which the Board considers to be in the best interests of shareholders, clients and staff.

Whilst the Board has always been highly confident in the company's ability to drive significant organic growth on a standalone basis, the material premium that Corpay has offered represents full value in cash for this growth.

The exceptional team at Alpha have built an award winning, FTSE 250 global business with over 500 staff in 11 countries serving clients around the world. It is a privilege to work with them.

We are excited about the opportunity within Corpay and confident that our people can add to the success of the enlarged group."

Commenting on the Acquisition, Clive Kahn, Chief Executive of Alpha said:

"I've had the tremendous privilege of serving on the Board of Alpha since 2016. Over that time, I've witnessed a budding business with a differentiated approach become an established player in its field, thanks primarily to a smart strategy, sound execution, and most importantly, great people. Under the leadership of Alpha's founder and former CEO, Morgan Tillbrook, the team built a company that not only achieved consistent annual double-digit revenue growth but did so by putting clients first and doing things the right way. That's a rare combination, and it's what sets Alpha apart.

The offer from Corpay is a strong endorsement of the Alpha management team's achievements. It provides shareholders with an attractive return, and it gives the business an opportunity to maintain and extend its growth record as part of a larger group that respects and shares its values. Importantly, Corpay's acquisition rationale wasn't solely based on our performance. It has expressed significant appreciation of Alpha's talent and cultural density. It admires how we lead with performance but always put the customer first. And it wants that spirit to continue as part of the Corpay group.

Great outcomes come from putting the right people in the right environment. Joining Corpay, our team will have access to greater scale and resources, but even more importantly, they'll be part of a culture that values what we've built. I'm confident this next chapter will unlock new potential, for our people, our clients, and the business as a whole."

Additional Information for US Investors

The Acquisition is being made to acquire the securities of an English company by means of a scheme of arrangement provided for under the laws of England and Wales. A transaction effected by means of a scheme of arrangement is generally not subject to the proxy solicitation or tender offer rules under the US Exchange Act. Instead, the Scheme will be subject to disclosure requirements and practices applicable in the United Kingdom to schemes of arrangement, which are different from the disclosure requirements of the US under the US Exchange Act.

The financial information on Alpha included in this Announcement and the Scheme documentation (or, if the Acquisition is to be implemented by way of a Takeover Offer, the documents to be sent to Alpha Shareholders which will contain the terms and conditions of such Takeover Offer) has been or will have been prepared in accordance with accounting standards applicable in the UK and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. Generally accepted accounting principles in the US differ in significant respects from accounting standard applications in the United Kingdom.

Neither the US Securities and Exchange Commission, nor any US state securities commission or any securities commission of other jurisdictions, has approved or disapproved the Acquisition, passed judgement upon the fairness or the merits of the Acquisition or passed judgement upon the adequacy or accuracy of this Announcement. Any representation to the contrary may be a criminal offence in the United States.

If Corpay were to elect to implement the Acquisition by means of a Takeover Offer and determined to extend the Takeover Offer into the US, such Takeover Offer would be made in compliance with all applicable US laws and regulations, including to the extent applicable Section 14(e) of the US Exchange Act and Regulation 14E thereunder, and in accordance with the Takeover Code. Such a takeover would be made in the United States by Corpay and no one else. Accordingly, the Acquisition would be subject to disclosure and other procedural requirements, including with respect to withdrawal rights, offer

timetable, settlement procedures and timing of payments that are different from those applicable under US domestic tender offer procedures and law.

The receipt of cash pursuant to the Acquisition by a US holder as consideration for the transfer of its Scheme Shares pursuant to the Scheme will likely be a taxable transaction for United States federal income tax purposes and under applicable United States state and local, as well as foreign and other, tax laws.

Each US Alpha Shareholder is urged to consult his or her independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to him or her.

It may be difficult for US holders to enforce their rights and claims arising out of the US federal securities laws, since Alpha is located in a country other than the US, and all of its officers and directors are residents of countries other than the US. US holders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

In accordance with normal UK practice and consistent with Rule 14e-5(b) under the US Exchange Act, Corpay, certain affiliated companies and the nominees or brokers (acting as agents) may make certain purchases of, or arrangements to purchase, shares in Alpha outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition and/or Scheme becomes Effective, lapses or is otherwise withdrawn. If such purchases or arrangements to purchase were to be made they would occur either in the open market at prevailing prices or in private transactions at negotiated prices and comply with applicable law, including to the extent applicable the US Exchange Act. Any information about such purchases or arrangements to purchase will be disclosed as required in the United Kingdom, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com.

In accordance with the Takeover Code, normal United Kingdom market practice and Rule 14e-5(b) of the US Exchange Act, Peel Hunt and its affiliates will continue to act as an exempt principal trader in Alpha securities on the London Stock Exchange. These purchases and activities by exempt principal traders which are required to be made public in the United Kingdom pursuant to the Takeover Code will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com. This information will also be publicly disclosed in the United States to the extent that such information is made public in the United Kingdom.

Forward-looking statements speak only as of the date of the respective documents in which they are made and may often, but not always, be identified by the use of forward-looking terms such as "may," "will," "expects," "believes," "hopes," "anticipates," "aims," "plans," "estimates," "projects," "targets," "intends," "forecasts," "outlook," "impact," "potential," "confidence," "improve," "continue," "optimistic," "deliver," "comfortable," "trend," and "seeks," or phrases or statements that certain actions, events or results "could," "should," "would," or "might" be taken, or the negative of such terms or other variations on such terms or comparable terminology. Such statements are qualified in their entirety by the inherent risks and uncertainties surrounding future expectations. These statements are based on assumptions and assessments made by Alpha, and/or Corpay, as the case may be, in light of their experience and their perception of historical trends, current conditions, future developments and other factors that they believe appropriate. By their nature, forward-looking statements involve risk and uncertainty, because they relate to events and depend on circumstances that will occur in the future and the factors that could cause actual results and developments to differ materially from those expressed in or implied by such forward-looking statements are unknown.

Many important factors could cause actual results to differ materially from those in the forward-looking statements including, without limitation, the satisfaction of the Conditions; the parties' ability to meet expectations regarding the timing, completion and accounting and tax treatments of the Acquisition; the parties' abilities to successfully integrate Alpha's operations into those of Corpay and otherwise achieve the anticipated benefits of the Acquisition, including revenue growth and/or expense savings, within the expected timelines or at all; the impact of macroeconomic conditions, including any recession or economic downturn that has occurred or may occur in the future, and whether expected trends, including retail fuel prices, fuel price spreads, fuel transaction patterns, electric vehicles, retail lodging prices, foreign exchange rates and interest rates develop as anticipated and Corpay's and/or Alpha's ability to develop successful strategies if these trends change; Corpay's and/or Alpha's ability to successfully execute the strategic plan for the combined company, manage its growth and achieve its performance targets; and other risk factors are described herein and in Corpay and Alpha's other respective filings, including Alpha's Annual Report and accounts for the year ended 31 December, 2024 and Corpay's Annual Report on Form 10-K for the year ended December 31, 2024 and subsequent filings with the U.S. Securities and Exchange Commission. Many of these important factors are outside of Corpay's or, as the case may be, Alpha's control. No assurances can be provided as to any result or the timing of any outcome regarding matters described herein or otherwise with respect to any regulatory action, administrative proceedings, government investigations, litigation, cost reductions, business strategies, earnings or revenue trends or future financial results.

Given the risks and uncertainties, undue reliance should not be placed on forward-looking statements as a prediction of actual results. Should one or more of the risks or uncertainties mentioned materialise, or should underlying assumptions prove incorrect, actual results may vary materially from those described in the relevant documents. Neither Corpay nor Alpha, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this Announcement will actually occur. Corpay, Alpha and their respective affiliated companies assume no obligation to update or correct the information contained in the documents in this part of the website, whether as a result of new information, future events or otherwise, except to the extent legally required (including under the Listing Rules and the Disclosure and Transparency Rules of the FCA). The statements contained in the documents in this part of the website are made as at the date of such documents, unless some other time is specified in relation to them, and service of the relevant documents shall not give rise to any implication that there has been no change in the facts set out in such documents since such date(s).

No Profit Forecasts, Estimates or Quantified Benefits Statements

No statement in this Announcement is intended as a profit forecast, profit estimate or quantified benefits statement for any period and no statement in this Announcement should be interpreted to mean that earnings or earnings per share for Alpha for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share for Alpha.

Disclosure Requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1% or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of: (i) the offeree company; and (ii) any securities exchange offeror(s). Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1% or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of: (i) the offeree company; and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. FOR IMMEDIATE RELEASE

23 JULY 2025

RECOMMENDED CASH ACQUISITION

of

**ALPHA GROUP INTERNATIONAL PLC
("ALPHA")**

by

**CORPAY, INC.
("CORPAY")**

to be effected by means of a Scheme of Arrangement under Part 26 of the Companies Act 2006

1. Introduction

The boards of Corpay and Alpha are pleased to announce that they have reached agreement on the terms of a recommended cash acquisition of the entire issued and to be issued ordinary share capital of Alpha by Corpay.

The Acquisition is intended to be effected by means of a scheme of arrangement under Part 26 of the Companies Act (the "**Scheme**"), or if Corpay elects, with the consent of the Panel and subject to the terms of the Co-operation Agreement, by way of a Takeover Offer.

2. The Acquisition

- Under the terms of the Acquisition, which will be subject to the Conditions and further terms set out in Appendix I to this Announcement and to be set out in the Scheme Document, Scheme Shareholders who are on the register of members of Alpha at the Scheme Record Time will be entitled to receive:

for each Alpha Share: 4,250 pence in cash

- The Acquisition values the entire issued and to be issued ordinary share capital of Alpha at approximately £1,805 million on a fully diluted basis and represents a premium of approximately:
 - 55% to Alpha's undisturbed share price of £27.45 per share on 1 May 2025 (being the last Business Day before Corpay's announcement on 2 May 2025 that it was in discussions with Alpha in relation to a possible cash offer for Alpha); and
 - 71% to Alpha's volume-weighted-average price of £24.81 per share for the one-month period ended 1 May 2025.
- The terms of the Acquisition imply an enterprise value of Alpha of £1,610 million.
- If any dividend and/or other distribution and/or other return of value or capital is authorised, declared, made or paid or becomes payable in respect of Alpha Shares on or after the date of

this Announcement, Corpay reserves the right to reduce the Acquisition Price by the aggregate amount of such dividend and/or other distribution and/or other return of value or capital.

It is expected that the Scheme Document will be published as soon as reasonably practicable and in any case within 28 days of the date of this Announcement (unless Alpha and Corpay otherwise agree, and the Panel consents, to a later date). It is Alpha's expectation and intention that the Court Meeting and the General Meeting will be held on 2 September 2025. It is expected that, subject to the satisfaction of all relevant conditions, the Scheme will become Effective during the fourth quarter of 2025.

3. Background to and reasons for the Acquisition

Corpay regularly evaluates opportunities to expand its cross-border business and is excited about the opportunity to acquire Alpha. This marquee acquisition will bring together the complementary strengths of both organisations, uniting Alpha's UK and European regional capabilities and alternative banking solutions with Corpay's global scale and operational excellence. Corpay has significant respect for Alpha and its management and believes that the cultural alignment of the two businesses will create significant long term value for clients, partners, employees and other stakeholders.

Alpha's two business segments are particularly appealing to Corpay. Alpha has built a fast growing Corporate FX business with operations across Europe, Canada and Australia which is complementary to Corpay's existing cross-border business. Further, acquiring Alpha will also unlock new opportunities for Corpay within Alpha's Private Markets segment, where Alpha currently has a stronger European presence. The Private Markets segment targets a large addressable market sector and provides exposure to institutional fund clients, an underserved client segment for Corpay today. Alpha's deep client relationships and advisory-led approach will complement Corpay's scale, technology, geographic reach and financial capabilities.

The Acquisition will further progress Corpay's strategic objective to accelerate its cross-border growth, while continuing to enhance its product capabilities and breadth. Corpay anticipates that, by offering both prospects and clients a more comprehensive product portfolio, greater opportunities will be unlocked within the combined client bases of both Alpha and Corpay. In addition, Corpay believes that its leadership team has the experience to execute a seamless integration process with minimal disruption to customers.

The acquisition of Alpha presents an exciting opportunity to create an enhanced cross-border platform positioned to serve clients more effectively, and benefit from increased scale and accelerated growth prospects. Corpay is enthusiastic about the opportunities which the Acquisition presents and looks forward to leveraging the combined strengths of Corpay and Alpha to achieve its long-term strategic goals. It is Corpay's belief that the Acquisition will deliver significant value to all stakeholders. Corpay expects that the Acquisition will deliver meaningful revenue and expense synergies, be accretive to revenue growth, and be at least \$0.50 accretive to Corpay's cash EPS in the 2026 financial year.

4. Recommendation by the Alpha Directors

The Alpha Directors, who have been so advised by Centerview and Peel Hunt as to the financial terms of the Acquisition, unanimously consider the terms of the Acquisition to be fair and reasonable. In providing its advice to the Alpha Directors, Centerview and Peel Hunt have taken into account the commercial assessments of the Alpha Directors. Centerview and Peel Hunt are providing independent financial advice to the Alpha Directors for the purpose of Rule 3 of the Takeover Code.

The Alpha Directors consider the terms of the Acquisition to be in the best interests of Alpha Shareholders as a whole and, accordingly, the Alpha Directors intend unanimously to recommend that Alpha Shareholders vote in favour of both the Scheme at the Court Meeting and the Special Resolution. The Alpha Directors have irrevocably undertaken to do so in respect of their own beneficial holdings (and those of their connected persons) in respect of which they control the voting rights amounting to 772,282 Alpha Shares representing, in aggregate, approximately 1.83% of the ordinary share capital of Alpha in issue on the Latest Practicable Date.

5. Background to and reasons for the Alpha Directors' recommendation

Alpha, an award-winning global provider of financial solutions, has a proven record of achieving double digit top line growth through its high-tech, high-touch approach and focus on delivery of long-term value for corporate and private market clients. This success has been driven by a team of over 500 talented professionals across 11 international offices, united by a high-performance culture that fosters growth, innovation and shared rewards.

Alpha's core strategy is to drive strong and durable organic growth through: (i) growing its client base by expanding into existing and new markets, whilst developing its products and services to cater for a broader range of client needs; and (ii) retaining existing clients and growing wallet share by increasing the value added services offered to them. The Alpha Board believes these factors combine to produce a substantial runway for future growth, which can deliver significant value to shareholders over time, notwithstanding execution and market risks.

In assessing the offer, the Alpha Board has considered Alpha's different revenue streams: (i) core group revenues; and (ii) net treasury income. The Alpha Board has also considered the value of cash on balance sheet. Having considered the offer across a range of different valuation methodologies, the Alpha Board believes that the Corpay offer represents a highly attractive opportunity to realise a certain cash value now that is fully reflective of the future growth opportunity and the strategic value of the Alpha Group. This can be seen through the very high premia that the offer represents relative to a range of recent trading benchmarks with or without an adjustment to reflect the value of the Alpha cash on its balance sheet on a pound-for-pound only basis (i.e. with no premium on the cash).

The Corpay Offer implies a premium of approximately:

- 55% (67% on a cash adjusted basis) to Alpha's undisturbed share price of £27.45 per share on 1 May 2025 (being the last Business Day before Corpay's announcement on 2 May 2025 that it was in discussions with Alpha in relation to a possible cash offer for Alpha); and
- 71% (90% on a cash adjusted basis) to Alpha's volume-weighted-average price of £24.81 per share for the one-month period ended 1 May 2025.

Further, the Corpay offer implies a 45% share price CAGR since Alpha's IPO on 7 April 2017 at £1.96 per share.

Since inception, Alpha has placed a premium on, and invested significant resources in developing, a team-focused high-performance culture which has been essential to the company's success. In assessing the offer, the Alpha Directors have assessed Corpay's intentions for the broader business, management, employees and other stakeholders, placing particular emphasis on how this culture will be maintained, and how the interests of employees will be safeguarded. The Alpha Board believes that the combined business will create highly attractive opportunities for management and employees to grow within the combined organisation.

Accordingly, following careful consideration of the above factors, the Alpha Directors intend unanimously and unconditionally to recommend the Acquisition to Alpha Shareholders.

6. Irrevocable undertakings

Corpay has received irrevocable undertakings from each of the Alpha Directors who holds Alpha Shares to vote in favour of both the Scheme at the Court Meeting and the Special Resolution in respect of their own beneficial holdings in respect of which they control the voting rights amounting, in aggregate, to 772,282 Alpha Shares, and representing approximately 1.83% of Alpha's issued ordinary share capital at close of business on the Latest Practicable Date (or, if the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer).

Corpay has also received an irrevocable undertaking from Morgan Tillbrook to vote, or procure the vote, in favour of the Scheme at both the Court Meeting and the Special Resolution in respect of his entire beneficial holding of Alpha Shares (excluding any Pledged Shares transferred for the purposes of

satisfying awards in accordance with the Linking Deed) amounting, in aggregate, to 5,076,898 Alpha Shares, and representing approximately 12% of Alpha's issued ordinary share capital at close of business on the Latest Practicable Date (or, if the Acquisition is implemented by way of a Takeover Offer to accept or procure acceptance of the Takeover Offer).

In total, therefore, irrevocable undertakings to vote in favour of the Scheme and the Special Resolution have been received from Alpha Shareholders controlling, in aggregate, 5,849,180 Alpha Shares, which represents approximately 13.83% of the ordinary share capital of Alpha in issue on the Latest Practicable Date.

All of the above irrevocable undertakings remain binding even in the event of a competing offer for Alpha at a price higher than the Acquisition Price.

Further details of these irrevocable undertakings are set out in Appendix III to this Announcement.

7. Information on Corpay

Corpay, the corporate payments company, is a global S&P 500 provider of commercial cards (e.g., business cards, fleet cards, virtual cards) and AP automation solutions (e.g., invoice and payments automation, cross border payments) to businesses worldwide. Corpay's solutions "keep business moving" and result in its customers better controlling purchases, mitigating fraud, and ultimately spending less. Corpay has the following reportable segments: Corporate Payments, Vehicle Payments, Lodging Payments and Other. These segments reflect how Corpay organises and manages its global employee base, manages operating performance and executes on strategic initiatives. Corpay's Corporate Payments solutions simplify and automate vendor payments and include accounts payable (AP) automation, virtual cards, cross-border payments and purchasing and travel and entertainment card products. Corpay's Vehicle Payments solutions help control and monitor spending and include fuel card offerings, tolls and other complementary products. Corpay's Lodging Payments solutions help businesses manage their lodging costs, while simplifying the management of hotels and housing.

Corpay is listed on the New York Stock Exchange (NYSE:CPAY) with a market capitalisation of approximately US\$23.3 billion. For the year ended 31 December 2024 Corpay reported audited revenues of US\$4.0 billion and adjusted net income of US\$1.4 billion. As at 31 March 2025, Corpay had net assets of US\$3.5 billion, and cash and cash equivalents of US\$1.6 billion.

8. Information on Alpha

Alpha is an award-winning global provider of financial solutions to some of the world's most respected organisations. Since its formation, Alpha has challenged traditional broker and banking models through its high-tech, high-touch approach and focus on maximising efficiency, certainty and delivering long-term value for corporate and private market clients. Alpha's success has been driven by a team of over 500 talented professionals across 11 international offices, united by a high-performance culture that fosters growth, innovation and shared rewards.

Alpha's Corporate division is built on a consultative, relationship-led model that delivers tailored hedging strategies and execution services to mid-market and large-cap clients. Alpha's Private Markets division provides the private capital markets sector with multi-currency accounts, FX risk management services, and streamlined debt-sourcing and advisory services around the structuring of fund finance facilities.

9. Alpha's current trading

Alpha's strong trading momentum achieved in the second half of 2024 continued into the first half of 2025. Alpha expects to report Alpha Group revenue of c.£86 million for the six months ended 30 June 2025 ("H1 2025"), (H1 2024: £64 million), representing year-on-year growth of 34%. This strong revenue performance was driven by exceptionally robust trading in the Corporate division, reflecting its continued success across its network of offices. Front office commission costs within the Corporate division grew

proportionately ahead of revenue resulting in the Alpha Group gross profit growth rate below Alpha Group revenue growth rate.

The Private Markets division experienced suppressed market conditions consistent with those described at the time of the publication of final results in March 2025. Private Markets continues, however, to benefit from its diversified and strong product suite, generating revenue marginally above the prior period and continues to generate significant levels of interest income. The Alpha Group generated £39 million in net treasury income (Own and Client), taking total income in H1 2025 to £125 million (H1 2024: £107 million).

Following the founder awards being issued in Q1 2025, Alpha Group needs to reflect a non-underlying, non-cash, non-dilutive share-based payment charge of £12 million in its accounts. Alpha Group also incurred certain non-contingent fees in connection with the Acquisition. Both costs reduced Alpha Group's statutory profit before tax for H1 2025.

10. Corpay's intentions with regards to Alpha's management, employees, research and development, locations of business and pension schemes

Strategic plans for Alpha

Corpay is attracted by Alpha's extensive experience providing risk management solutions to global corporate and institutional fund clients, and its impressive track record of growth and innovation. There is a strong strategic and cultural alignment between the Corpay and Alpha management teams, and the companies share high-performance cultures.

Immediately following completion of the Acquisition, it is intended that Alpha will be managed as a wholly-owned subsidiary of Corpay with Alpha's Corporate FX segment subsequently being integrated with Corpay's Cross Border business.

Corpay has particular interest in the various new opportunities within Alpha's Private Markets division as a foundation from which to expand its global institutional fund business.

Employees and management

Corpay believes that Alpha's most valuable assets are its people and greatly values the skills and experience of Alpha's employees and management team. The proposed combination is expected to result in expanded career development opportunities for Alpha employees, new roles, broader responsibilities, and further opportunities for growth within a large, global organisation.

Corpay intends to put in place attractive retention and incentive arrangements following completion of the Acquisition, which will include participation in Corpay's existing long term employee equity programme (which allows for the grant of both performance and time-based awards).

Corpay has not entered into and has not held discussions on proposals to enter into, any form of incentive arrangement with any member of Alpha's management team and does not intend that any such discussions will take place until completion of the Acquisition.

Corpay intends, in the first six months following closing of the Acquisition, to conduct a strategic review to validate its initial assessment of Alpha and its integration plans. Concurrently with the strategic review, Corpay may begin taking integration steps, including the transfer of customers onto Corpay's platform.

The strategic review will include an assessment of employee roles and functions. Initial due diligence indicates possible role overlaps in some functions, in particular in administrative and head office/listed company functions. Possible headcount reductions may impact relevant employees from both businesses. Based on a preliminary assessment these possible reductions, if made solely within Alpha's business, could affect up to 13% of Alpha's employees. At this stage, a specific proposal as to the number of individuals affected, or how any such reductions are to be implemented, has not yet been developed. Any such proposal will be finalised and implemented following appropriate consultation with

relevant stakeholders, including affected employees. It is anticipated that reasonable efforts will be made to mitigate the need for any involuntary headcount reductions, such as through the growth of the combined business, redeployment and natural attrition.

Corpay anticipates that overall headcount will increase over time as part of Corpay's efforts to grow the combined business given the prospects of the firm and the attractiveness of its target markets.

Alpha operates a number of share-based incentive schemes. Further information in relation to these schemes is set out in paragraph 11 of this Announcement, which describes the proposals Corpay intends to make in respect of the Alpha Share Plans (including the Subsidiary Schemes), which will be detailed in Rule 15 proposals to be sent to participants in those schemes. Certain of these schemes provide for awards that are performance-related based on revenue or profit at the level of the relevant subsidiary or business unit and do not have automatic change of control provisions that can be triggered by Alpha or its relevant subsidiary in connection with the Acquisition. The application of the mechanics of those Subsidiary Schemes, and therefore the economic outcomes for their participants, are expected to be significantly and adversely affected from (and including) 2026 onwards by Corpay's intended integration of the Alpha businesses.

Other than as set out above, Corpay does not expect any material change in the balance of skills and functions of employees and management of the combined business.

Following completion of the Acquisition, Corpay will ensure that the existing contractual and statutory employment rights of Alpha employees are safeguarded.

All non-executive directors of the Alpha Board have agreed to resign as directors of Alpha upon completion of the Acquisition and will be paid in lieu of the notice period under their letter of appointment.

Locations, fixed assets, branding and research and development

Corpay's intention is to maintain Alpha's existing geographies, and it will work with Alpha as part of the strategic review to assess and optimise the office footprint, given the overlap between the two companies' locations in all cities where Alpha is present save for Malta, Frankfurt and Amsterdam where Corpay does not currently have an office.

It is Corpay's intention to maintain Alpha's headquarters in their two current London locations. As integration of the two businesses in the UK progresses, Corpay may decide to combine the three London premises into a single London office, and any such decision will form a part of Corpay's strategic review.

Corpay has no plans to redeploy the fixed assets of Alpha. Alpha does not currently have a dedicated research and development function and Corpay has no plans in this regard.

Existing trading facilities

It is intended that, before the Scheme becomes effective, applications will be made by Alpha for the cancellation of trading of the Alpha Shares on the London Stock Exchange, with effect from or shortly after the Effective Date. Corpay intends to re-register Alpha as a private company under the relevant provisions of the Companies Act following the Effective Date.

Pension rights

Alpha does not operate any defined benefit pension schemes in respect of its employees.

Alpha operates defined contribution pension plans in the UK. Corpay does not intend to make any immediate changes to the agreed employer contribution rates in relation to such defined contribution pension plans following the Effective Date, but in the medium term, the plans will be replaced with Corpay defined contribution pension plans.

Post-offer undertakings

No statement in this paragraph 10 constitutes or is intended to become a post-offer undertaking under Rule 19.5 of the Code.

11. Alpha Share Plans

Participants in the Alpha Share Plans will be contacted regarding the effect of the Acquisition on their rights under the Alpha Share Plans, and provided with further details concerning Corpay's proposals applicable to them in due course.

Group LTIP (8x) Awards and Founder Pledged Awards

In accordance with the rules of the Group LTIP, unvested outstanding 8x awards granted under the Group LTIP will accelerate, vest and become exercisable early (i.e., in advance of the relevant vesting date set out in the Group LTIP) on the date of the Court sanction, with the extent of such vesting determined by Alpha's remuneration committee by reference to applicable performance conditions and with a pro-rating adjustment to allow full vesting for the 2025 financial year, but no vesting for subsequent years. Any awards that do not vest will lapse in accordance with the terms of the Group LTIP.

Early vesting will also apply to awards in respect of Pledged Shares which were granted under the rules of the Group LTIP but which will be satisfied by the transfer of shares pledged by Morgan Tillbrook (the "**Founder Scheme**"), save that such awards held by the Chief Financial Officer and the Chief Risk Officer of Alpha will be pro-rated for early vesting of ½ of their awards.

Subsidiary Schemes

Participants who hold Subsidiary Shares in Subsidiary Schemes that do not provide for automatic accelerated vesting in connection with the Acquisition will receive an offer from Corpay comprising (i) in respect of the portion of their Subsidiary Shares which would have vested in respect of the 2025 financial year, a cash payment shortly following the Effective Date calculated based on the applicable performance conditions and hurdles in respect of the 2025 financial year, and (ii) in respect of the portion of their Subsidiary Shares which would have vested in respect of the 2026 financial year and onwards, a further cash sum payable in respect of the relevant financial years following the first anniversary of the Effective Date, subject to continued employment and customary good leaver protections (the "**Retention Payment**").

Participants who hold Subsidiary Shares in the Subsidiary Scheme that provides for accelerated vesting in connection with the Acquisition (being the shares in Alpha FX Institutional Limited) will receive an offer from Corpay comprising a single cash payment, calculated based on the applicable performance conditions in respect of the 2025 to 2027 financial years.

Cash payments to participants in the Subsidiary Schemes as described above will be subject to, and conditional on, the participant transferring their Subsidiary Shares for nil or nominal consideration and waiving their rights, claims and entitlements to, or interests in, the Subsidiary Shares or entitlements to any further payment in respect of those Subsidiary Shares.

Corpay will provide participants with at least 21 days from the date of the offer by Corpay (or such longer period as Corpay and Alpha may agree) to accept such offer. To the extent any participant does not accept Corpay's offer, they will retain their Subsidiary Shares under the Subsidiary Scheme.

Compensatory Payments

Corpay has agreed that Alpha may make cash payments to (i) key employees (including executive directors) in respect of the Group LTIP awards that were scheduled to be granted in June 2025 in the ordinary course that have not yet been granted and (ii) a small number of other key employees (excluding executive directors) in respect of the loss of certain share scheme rights.

Maximum Payments

The aggregate value of the cash payments and Alpha Shares that comprises Corpay's offer in respect of the Group LTIP awards (excluding any awards under the Founder Scheme), the Subsidiary Schemes (excluding the Retention Payment), the compensatory payments described above, as well as certain dividend payments and earnout rights held by certain minority shareholders in subsidiaries of Alpha, will not exceed £25.5 million. In addition, Corpay's offer in respect of the Retention Payment will not exceed £5 million. To the extent that the aggregate amounts exceed such amounts, the payments comprised in Corpay's offers to the participants in the Alpha Share Plans will be scaled down.

Founder Scheme

Alpha's founder and former CEO, Morgan Tilbrook, has informed Alpha's directors that he is minded to establish a cash retention arrangement following completion of the Acquisition, as a successor to the current Founder Scheme in place between him and Alpha by which he has irrevocably agreed that he will satisfy certain share options granted to employees and officers of Alpha, using a proportion of the proceeds he receives from any Pledged Shares which will not be required to settle awards under the Founder Scheme. The details of the arrangement have not yet been finalised but Mr. Tilbrook has indicated that he expects the retention awards to be made to current participants in the Founder Scheme broadly pro rata to their participation in the Founder Scheme. If the arrangement is established, the participants would include Alpha's Chief Financial Officer and Chief Risk Officer who are both current participants in the Founder Scheme. Retention awards would be payable subject to continued employment through to 31 December 2027 (or 12 months following completion of the Acquisition for Alpha's Chief Financial Officer and Chief Risk Officer). If any participant resigns or is dismissed for misconduct before such participant's Payment Condition Date they lose the entitlement. If a participant leaves employment for any other reason before such participant's Payment Condition Date, they will be entitled to a pro-rated payment at the time of their termination (save for Alpha's Chief Financial Officer and Chief Risk Officer, where, subject to them waiving any payment in lieu of notice against a corresponding waiver of their notice periods by Alpha, the payment will be paid in full and not pro-rated).

Dividends

If any dividend and/or other distribution and/or other return of value or capital is authorised, declared, made or paid or otherwise becomes payable in respect of any of the Subsidiary Shares to any holders of such Subsidiary Shares in the period between and including 1 July 2025 and the Effective Date, to the extent that the aggregate amount of all such dividends and/or other distributions and/or other returns of value or capital exceeds £1,000,000, Corpay reserves the right to reduce the entitlements of all participants of the Alpha Share Plans contemplated by the proposals made to the participants under Rule 15 of the Code in connection with the Acquisition, provided that:

- a) any such reduction of such entitlements will:
 - (i) be borne by all participants based on their pro rata holding of all Subsidiary Shares at the relevant time; and
 - (ii) in aggregate not exceed an amount equal to the aggregate amount of the excess actually received by the participants or which they are entitled to receive; and
- b) any exercise by Corpay of these rights will:
 - (iii) be subject to an announcement at the relevant time; and
 - (iv) not be regarded as constituting any revision or variation of the terms of the Scheme or of any proposal made pursuant to Rule 15 of the Code.

12. Financing Arrangements

On 23 July 2025, Corpay entered into a bridge term loan credit agreement with BOFA Securities, Inc., Barclays Bank plc and JPMorgan Chase Bank, N.A. (the "**Credit Agreement**"), pursuant to which a £1,875 million bridge facility is available to Corpay which may be drawn on to finance the Cash Consideration payable pursuant to the Acquisition (and to finance costs and expenses in connection with the Acquisition).

Subject to the conditions of the Credit Agreement, the bridge facility may be fully or partially repaid through any combination of cash, debt, bank capital optimisation and non-core divestitures. Corpay expects that the Acquisition will result in a net debt/EBITDA ratio within a range of 2.2 to 2.8x in Q4 2025.

The Credit Agreement contains an acquisition undertaking which restricts Corpay from amending, waiving or treating as satisfied any term or condition of the Acquisition in a manner that would be materially prejudicial to the interests of the lenders (taken as a whole), other than, in particular, any amendment or waiver: (i) made with the consent of the required lenders; (ii) required or requested by the Takeover Panel or the Court or reasonably determined by Corpay to be necessary or desirable to comply with the requirement or requests (as applicable) of the Takeover Code, the Takeover Panel or the Court or any other applicable law, regulation or regulatory body; (iii) an extension of the period for shareholder acceptance of the Scheme or Takeover Offer (including by reason of adjournment of any meeting or court hearing); (iv) required to effect a switch between a Scheme and a Takeover Offer (or vice versa); or (v) relates to a condition or conditions which Corpay reasonably considers it would not be entitled to invoke under Rule 13.5(a) of the Code.

In accordance with Rule 2.7(d) of the Takeover Code, Oppenheimer, as financial adviser to Corpay, is satisfied that sufficient resources are available to Corpay to satisfy in full the Cash Consideration payable to Alpha Shareholders under the terms of the Acquisition.

Further information on the financing of the Acquisition will be set out in the Scheme Document.

13. Shareholders subject to Sanctions

If any Alpha Shares are directly or indirectly owned, held or controlled by a Sanctioned Person on or after the date of the Announcement: (a) such Alpha Shares will not form part of, and will not be transferred pursuant to, the Acquisition and/or the Scheme; (b) any purported vote by or on behalf of any shareholder of such Alpha Shares at the Court Meeting or the General Meeting will not be treated as valid; (c) no shareholder of such Alpha Shares will receive any Cash Consideration unless and until such payment complies with Sanctions (including under requisite licenses which may be obtained by Corpay from a Sanctions Authority); and (d) under the terms of the Acquisition and the Scheme, with effect on and from the Effective Date, all rights attaching to such Alpha Shares will cease to be exercisable.

14. Offer-related Arrangements

Amended and Restated Confidentiality Agreement

Corpay and Alpha entered into a confidentiality agreement on 23 July 2025 (the "**Amended and Restated Confidentiality Agreement**") in respect of commercial discussions relating to a proposed acquisition by Corpay of Alpha.

Pursuant to the terms of the Amended and Restated Confidentiality Agreement, each party is required, among other things, to: (a) keep all confidential information strictly confidential, (b) use confidential information solely for the purpose of evaluating, negotiating, advising upon, or implementing the proposed transaction, and (c) not disclose, copy, reproduce or distribute confidential information except to authorised recipients who are subject to equivalent confidentiality obligations (unless disclosure is required by law or regulation, in which case advance notice of such disclosure must be given where practicable).

The agreement includes a twelve-month standstill, from 29 May 2025 (being, the date of the original confidentiality agreement signed by the parties and which has been terminated), restricting Corpay from

acquiring Alpha Shares or making an offer without Alpha's consent. The standstill ceases to apply upon the release of this Announcement.

The agreement also contains customary non-solicitation and data protection provisions.

The agreement is for a term of 24 months from 29 May 2025, is governed by English law and entitles the disclosing party to seek injunctive or other equitable relief for any breach.

Co-operation Agreement

On 23 July 2025, Alpha and Corpay entered into the Co-operation Agreement in relation to the Acquisition.

Pursuant to the Co-operation Agreement, Corpay has agreed to use all reasonable efforts to satisfy the Conditions at paragraphs 3(a) to 3(f) (inclusive) of Part A of Appendix I to this Announcement as soon as reasonably practicable and, in any event, in sufficient time to allow the Effective Date to occur by the Long Stop Date.

In addition, Corpay and Alpha have both agreed to certain related co-operation provisions and obligations in relation to the making of filings to Relevant Authorities in connection with the Acquisition.

The Co-operation Agreement records Alpha and Corpay's current intention to implement the Acquisition by way of the Scheme and sets out the circumstances in which Corpay may elect to switch from a Scheme to a Takeover Offer, and the obligations which would apply to Corpay in such circumstances. The Co-operation Agreement records Alpha's expectation and intention that the Court Meeting and General Meeting will be held on 2 September 2025.

Pursuant to the terms of the Co-operation Agreement and the requirements of paragraph 3(g)(i) of Appendix 7 to the Takeover Code, Corpay undertakes that it will deliver a notice in writing to Alpha and the Panel on the Business Day prior to the Court Hearing confirming either: (i) the satisfaction or waiver of the Conditions (other than the Conditions relating to sanction of the Scheme by the Court and the filing of a copy of the relevant court order with the registrar of companies); or (ii) that it intends, to the extent permitted by the Panel, to invoke or treat as unsatisfied or incapable of satisfaction one or more conditions.

The Co-operation Agreement also contains provisions that apply in respect of the Alpha Share Plans and certain other employee-related matters.

The Co-operation Agreement is capable of termination in a number of customary circumstances, including if the Acquisition is withdrawn or lapses, if the Acquisition does not complete before the Long Stop Date, at Corpay's election if the Alpha Directors withdraw or modify their recommendation of the Acquisition, if there is a competing proposal, if the Scheme is not approved by Alpha Shareholders or sanctioned by the Court, or otherwise as agreed between Alpha and Corpay.

Clean Team Agreement

Corpay and Alpha have entered into a clean team agreement dated 26 June 2025 (the ***Clean Team Agreement***) in connection with the Acquisition. The agreement sets out, among other things, the terms governing the disclosure of competitively sensitive information between (i) Alpha's clean team individuals and/or outside advisers; and (ii) Corpay's clean team individuals and/or outside advisers, and outlines the obligations of all recipients regarding the permitted use, handling and safeguarding of such information.

Joint Defence Agreement

On 3 July 2025, Alpha, Corpay and their respective external counsel entered into the Joint Defence Agreement in relation to the Acquisition, the purpose of which is to ensure that the exchange and/or disclosure of certain materials relating to the Alpha and Corpay only takes place between their respective external counsel and external experts, and does not diminish in any way the confidentiality

of such materials and does not result in a waiver of any privilege, right or immunity that might otherwise be available.

15. Structure of the Acquisition

It is intended that the Acquisition will be effected by means of a Court-approved scheme of arrangement between Alpha and the Scheme Shareholders under Part 26 of the Companies Act. The purpose of the Scheme is to provide for Corpay to become the holder of the entire issued and to be issued ordinary share capital of Alpha. This is to be achieved by the transfer of the Scheme Shares to Corpay, in consideration for which the Scheme Shareholders who are on the register of members of Alpha at the Scheme Record Time will receive Cash Consideration on the basis set out in paragraph 2 of this Announcement.

The Scheme is subject to the Conditions and further terms set out in Appendix I to this Announcement and to be set out in the Scheme Document and the Forms of Proxy and will become Effective only if, among other things, the following events occur on or before the Long Stop Date or such later date as may be agreed in writing by Corpay and Alpha (with the Panel's consent and as the Court may approve (if such approval(s) are required)):

- (i) the approval of the Scheme by a majority in number of the Scheme Shareholders who are present and vote, whether in person or by proxy, at the Court Meeting and who represent 75% or more in value of the Scheme Shares voted by those Scheme Shareholders;
- (ii) the Special Resolution being duly passed by Alpha Shareholders representing 75% or more of votes cast at the General Meeting;
- (iii) the approval of the Scheme by the Court (with or without modification but subject to any modification being on terms acceptable to Alpha and Corpay); and
- (iv) the delivery of a copy of the Court Order to the Registrar of Companies.

The Scheme will also be subject to the Conditions and further terms set out in Appendix I to this announcement (in particular, the Condition set out in paragraph 3(a) of Part A of Appendix I to this announcement) and to the full terms and conditions to be set out in the Scheme Document.

The Scheme will lapse if:

- the Court Meeting and the General Meeting are not held by the 22nd day after the expected date of such meetings as will be set out in the Scheme Document (or such later date as may be agreed between Corpay and Alpha, with the Panel's consent if required);
- the Court Hearing is not held on or before the 18th Business Day after:
 - (i) if Corpay has notified Alpha before the Court Hearing that it is aware of another Authorisation being required to satisfy the Regulatory Condition in paragraph 3(f) of Part A of Appendix I to this Announcement, and that Corpay intends to seek such Authorisation, all of the Regulatory Conditions and the Regulatory Condition in paragraph 3(f) (in respect of such additional Authorisation) of Part A of Appendix I to this Announcement have been satisfied or waived; or
 - (ii) if Corpay has not notified Alpha under subparagraph (a) above, all of the Regulatory Conditions in paragraph 3 (a) to 3(e) of Part A of Appendix I to this Announcement have been satisfied or waived,or, in each case, such later date as may be agreed in writing between the parties with the consent of the Panel and the approval of the Court (if such approval(s) are required); or
- the Scheme does not become Effective by the Long Stop Date,

provided however that the deadlines for the timing of the Court Meeting, the General Meeting and the Court Hearing to approve the Scheme as set out above may be waived by Corpay, and the deadline for the Scheme to become Effective may be extended by agreement between Alpha and Corpay (with the Panel's consent and as the Court may approve (if such consent and/or approval is required)).

Upon the Scheme becoming Effective, it will be binding on all Alpha Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the General Meeting (and if they attended and voted, whether or not they voted in favour).

In the context of a takeover implemented by way of a scheme of arrangement, it is customary for the offeree company's articles of association to be amended to provide for the automatic and compulsory transfer to the offeror (with guaranteed liquidity for the person to whom those shares are issued). One of the purposes of the Special Resolution, if approved at the General Meeting, is to amend Alpha's articles of association to provide Corpay with the right to require any Alpha Shares issued or transferred following the Scheme Record Time (to any person other than Corpay) to be compulsorily transferred to Corpay. Such transfer would be for the same consideration as was payable under the Acquisition. Pursuant to such amendment, any Alpha Shares issued or transferred after the Scheme Record Time to any person other than Corpay would be capable of transfer only to Corpay (or as it may direct) and such transfer would take place only if and when determined by Corpay at its sole discretion (for an amount equal to the Cash Consideration for each such Alpha Share). As a consequence, there would be no certainty that any such Alpha Shares will be transferred to Corpay or at all and any holder thereof (other than Corpay) might have no facility to achieve any liquidity or exit for such Alpha Shares. Corpay has required that it is a term of the Acquisition that Alpha proposes the Special Resolution in the terms described above.

Further details of the Scheme, including an indicative timetable for its implementation, will be set out in the Scheme Document, which will specify the necessary actions to be taken by Alpha Shareholders. It is Alpha's expectation and intention that the Court Meeting and General Meeting will be held on 2 September 2025. The Scheme Document and Forms of Proxy will be posted to all Alpha Shareholders and, for information only, to persons with information rights and to holders of options granted under the Alpha Share Plans as soon as practicable, at no charge to them. Subject, among other things, to the satisfaction or, if applicable, waiver of the Conditions, it is expected that the Scheme will become Effective during the fourth quarter of 2025.

Corpay reserves the right to elect (subject to the terms of the Co-operation Agreement and the Takeover Code and with the consent of the Panel, if required) to implement the Acquisition by way of a Takeover Offer, as an alternative to the Scheme. In such an event, a Takeover Offer will be implemented on substantially the same terms, so far as applicable, as those which would apply to the Scheme (subject to appropriate amendments, including, if permitted by (i) the terms of the Co-operation Agreement, (ii) the Takeover Code, and (iii) the Panel, an acceptance condition set, subject to the consent of the Panel, at either (x) 90% of the Alpha Shares to which such offer relates or (y) such lesser percentage, being at least 75% of the Alpha Shares to which such offer relates, as Corpay may (with the consent of the Panel) in its sole discretion determine, provided that, if Corpay (with the consent of the Panel) sets an acceptance condition at less than 75% of the shares to which such offer relates, the prior approval of Alpha shall also be required).

If the Acquisition is effected by way of a Takeover Offer and such Takeover Offer becomes or is declared unconditional in all respects and sufficient acceptances are received, Corpay intends to: (i) make a request to the FCA to cancel the listing of the Alpha Shares from the Official List; (ii) apply to the London Stock Exchange for the cancellation of trading of the Alpha Shares on the main market of the London Stock Exchange; and (iii) exercise its rights to apply the provisions of Chapter 3 of Part 28 of the Companies Act to acquire compulsorily the remaining Alpha Shares in respect of which the Takeover Offer has not been accepted.

16. Dividends

If any dividend and/or other distribution and/or other return of value or capital is authorised, declared, made or paid or becomes payable in respect of Alpha Shares on or after the date of this Announcement, Corpay reserves the right to reduce the Acquisition Price by the aggregate amount of such dividend and/or other distribution and/or other return of value or capital in which case the relevant eligible Alpha

Shareholders will be entitled to receive and retain such dividend and/or distribution and/or other return of value or capital.

If any such dividend and/or other distribution and/or other return of value or capital is authorised, declared, made or paid or becomes payable in respect of Alpha Shares on or after the date of this Announcement and Corpay exercises its rights described above, any reference in this Announcement to the Acquisition Price and/or the Cash Consideration will be deemed to be a reference to the consideration as so reduced. Any exercise by Corpay of its rights referred to in this paragraph will be the subject of an announcement and, for the avoidance of doubt, will not be regarded as constituting any revision or variation of the terms of the Scheme.

17. Delisting and re-registration

Before the Scheme becomes Effective, it is intended that an application will be made to the FCA and the London Stock Exchange to cancel, subject to the Acquisition becoming Effective, the listing of Alpha Shares on the Official List and the trading of Alpha Shares on the main market of the London Stock Exchange respectively, in each case, with effect from or shortly following the Effective Date.

The last day of dealings in Alpha Shares on the main market of the London Stock Exchange is expected to be the Business Day immediately prior to the Effective Date and no transfers shall be registered after 6.00 p.m. on that date.

If the Acquisition is effected by way of a Takeover Offer, it is anticipated that the cancellation of Alpha's listing on the Official List and admission to trading on the main market of the London Stock Exchange will take effect no earlier than 20 Business Days following the date on which the Takeover Offer becomes or is declared unconditional provided Corpay has obtained 75% or more of the voting rights of Alpha.

On the Effective Date, share certificates in respect of Alpha Shares shall cease to be valid and entitlements to Alpha Shares held within the CREST system shall be cancelled. Alpha Shareholders will be required to return share certificates to Alpha or destroy them following the Effective Date.

It is also intended that, as soon as practicable after the Effective Date, Alpha will be re-registered as a private company under the relevant provisions of the Companies Act.

18. Disclosure of interests in Alpha

Save in respect of the irrevocable undertakings referred to in paragraph 6 above, as at the close of business on the Latest Practicable Date, neither Corpay, nor any of its directors nor, so far as Corpay is aware, any person acting in concert (within the meaning of the Takeover Code) with Corpay has: (i) any interest in or right to subscribe for any relevant securities of Alpha; (ii) any short positions in respect of relevant securities of Alpha (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery; (iii) any dealing arrangement of the kind referred to in Note 11 on the definition of acting in concert in the Takeover Code, in relation to the relevant securities of Alpha; nor (iv) borrowed or lent any relevant securities of Alpha (including, for these purposes, any financial collateral arrangements of the kind referred to in Note 3 on Rule 4.6 of the Takeover Code).

"relevant securities of Alpha" means Alpha Shares or securities convertible or exchangeable into Alpha Shares.

"interests in securities" for these purposes arise, in summary, when a person has long economic exposure, whether absolute or conditional, to changes in the price of securities (and a person who only has a short position in securities is not treated as interested in those securities). In particular, a person will be treated as having an "interest" by virtue of the ownership, voting rights or control of securities, or by virtue of any agreement to purchase, option in respect of, or derivative referenced to, securities.

Persons who are not resident in the United Kingdom or the United States or who are subject to the laws and regulations of other jurisdictions should inform themselves of, and observe, any applicable requirements.

Unless otherwise determined by Corpay or required by the Takeover Code, and permitted by applicable law and regulation, the Acquisition will not be made available, directly or indirectly, in, into or from any Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Acquisition by any such use, means, instrumentality or form within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this Announcement and all documents relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction, and persons receiving this Announcement and all documents relating to the Acquisition (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send them in, into or from such jurisdictions where to do so would violate the laws in those jurisdictions. If the Acquisition is implemented by way of a Takeover Offer (unless otherwise permitted by applicable law and regulation), such Takeover Offer may not be made available directly or indirectly, in, into or from any Restricted Jurisdiction and the Takeover Offer will not be capable of acceptance by any such use, means, instrumentality or facilities from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction.

The availability of the Acquisition to Alpha Shareholders who are not resident in the United Kingdom or the United States (and, in particular, their ability to vote their Scheme Shares with respect to the Scheme at the Court Meeting, or to appoint another person as proxy to vote at the Court Meeting on their behalf) may be affected by the laws of the relevant jurisdictions in which they are resident. Persons who are not resident in the United Kingdom or the United States should inform themselves of, and observe, any applicable requirements, as any failure to comply with such requirements may constitute a violation of the securities laws of any such jurisdiction. The Acquisition will be subject to the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange, the Financial Conduct Authority and the Listing Rules.

Further details in relation to Overseas Shareholders will be contained in the Scheme Document (or, if applicable, the offer document).

Shareholders subject to Sanctions

If any Alpha Shares are directly or indirectly owned, held or controlled by a Sanctioned Person on or after the date of the Announcement: (a) such Alpha Shares will not form part of, and will not be transferred pursuant to, the Acquisition and/or the Scheme; (b) any purported vote by or on behalf of any shareholder of such Alpha Shares at the Court Meeting or the General Meeting will not be treated as valid; (c) no shareholder of such Alpha Shares will receive any Cash Consideration unless and until such payment complies with Sanctions (including under requisite licenses which may be obtained by Corpay from a Sanctions Authority); and (d) under the terms of the Acquisition and the Scheme, with effect on and from the Effective Date, all rights attaching to such Alpha Shares will cease to be exercisable.

Additional Information for US Investors

The Acquisition is being made to acquire the securities of an English company by means of a scheme of arrangement provided for under the laws of England and Wales. A transaction effected by means of a scheme of arrangement is generally not subject to the proxy solicitation or tender offer rules under the US Exchange Act. Instead, the Scheme will be subject to disclosure requirements and practices applicable in the United Kingdom to schemes of arrangement, which are different from the disclosure requirements of the US under the US Exchange Act.

The financial information on Alpha included in this Announcement and the Scheme documentation (or, if the Acquisition is to be implemented by way of a Takeover Offer, the documents to be sent to Alpha Shareholders which will contain the terms and conditions of such Takeover Offer) has been or will have been prepared in accordance with accounting standards applicable in the UK and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. Generally accepted accounting principles in the US differ in significant respects from accounting standard applications in the United Kingdom.

Neither the US Securities and Exchange Commission, nor any US state securities commission or any securities commission of other jurisdictions, has approved or disapproved the Acquisition, passed judgement upon the fairness or the merits of the Acquisition or passed judgement upon the adequacy or accuracy of this Announcement. Any representation to the contrary may be a criminal offence in the United States.

If Corpay were to elect to implement the Acquisition by means of a Takeover Offer and determined to extend the Takeover Offer into the US, such Takeover Offer would be made in compliance with all applicable US laws and regulations, including to the extent applicable Section 14(e) of the US Exchange Act and Regulation 14E thereunder, and in accordance with the Takeover Code. Such a takeover would be made in the United States by Corpay and no one else. Accordingly, the Acquisition would be subject to disclosure and other procedural requirements, including with respect to withdrawal rights, offer timetable, settlement procedures and timing of payments that are different from those applicable under US domestic tender offer procedures and law.

The receipt of cash pursuant to the Acquisition by a US holder as consideration for the transfer of its Scheme Shares pursuant to the Scheme will likely be a taxable transaction for United States federal income tax purposes and under applicable United States state and local, as well as foreign and other, tax laws.

Each US Alpha Shareholder is urged to consult his or her independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to him or her.

It may be difficult for US holders to enforce their rights and claims arising out of the US federal securities laws, since Alpha is located in a country other than the US, and all of its officers and directors are residents of countries other than the US. US holders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

In accordance with normal UK practice and consistent with Rule 14e-5(b) under the US Exchange Act, Corpay, certain affiliated companies and the nominees or brokers (acting as agents) may make certain purchases of, or arrangements to purchase, shares in Alpha outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition and/or Scheme becomes Effective, lapses or is otherwise withdrawn. If such purchases or arrangements to purchase were to be made they would occur either in the open market at prevailing prices or in private transactions at negotiated prices and comply with applicable law, including to the extent applicable the US Exchange Act. Any information about such purchases or arrangements to purchase will be disclosed as required in the United Kingdom, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com.

In accordance with the Takeover Code, normal United Kingdom market practice and Rule 14e-5(b) of the US Exchange Act, Peel Hunt and its affiliates will continue to act as an exempt principal trader in Alpha securities on the London Stock Exchange. These purchases and activities by exempt principal traders which are required to be made public in the United Kingdom pursuant to the Takeover Code will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com. This information will also be publicly disclosed in the United States to the extent that such information is made public in the United Kingdom.

Forward Looking Statements

This Announcement (including information incorporated by reference in the Announcement), oral statements made regarding the Acquisition, and other information published by Corpay and Alpha, in each case, regarding the Acquisition, the expected timing of the Acquisition and the anticipated financial and other benefits of the Acquisition may contain certain statements, trends, expectations, forecasts estimates or other forward-looking information affecting or relating to Corpay or Alpha or their respective industries, products or activities which are, or may be deemed to be, "forward looking statements", including for the purposes of the US Private Securities Litigation Reform Act of 1995. Forward-looking statements speak only as of the date of the respective documents in which they are made and may often, but not always, be identified by the use of forward-looking terms such as "may," "will," "expects," "believes," "hopes," "anticipates," "aims," "plans," "estimates," "projects," "targets," "intends," "forecasts," "outlook," "impact," "potential," "confidence," "improve," "continue," "optimistic," "deliver," "comfortable," "trend," and "seeks," or phrases or statements that certain actions, events or results "could," "should," "would," or "might" be taken, or the negative of such terms or other variations on such terms or comparable terminology. Such statements are qualified in their entirety by the inherent risks and uncertainties surrounding future expectations. These statements are based on assumptions and assessments made by Alpha, and/or Corpay, as the case may be, in light of their experience and their perception of historical trends, current conditions, future developments and other factors that they believe appropriate. By their nature, forward-looking statements involve risk and uncertainty, because they relate to events and depend on circumstances that will occur in the future and the factors that could cause actual results and developments to differ materially from those expressed in or implied by such forward-looking statements are unknown.

Many important factors could cause actual results to differ materially from those in the forward-looking statements including, without limitation, the satisfaction of the Conditions; the parties' ability to meet expectations regarding the timing, completion and accounting and tax treatments of the Acquisition; the parties' abilities to successfully integrate Alpha's operations into those of Corpay and otherwise achieve the anticipated benefits of the Acquisition, including revenue growth and/or expense savings, within the expected timelines or at all; the impact of macroeconomic conditions, including any recession or economic downturn that has occurred or may occur in the future, and whether expected trends, including retail fuel prices, fuel price spreads, fuel transaction patterns, electric vehicles, retail lodging prices, foreign exchange rates and interest rates develop as anticipated and Corpay's and/or Alpha's ability to develop successful strategies if these trends change; Corpay's and/or Alpha's ability to successfully execute the strategic plan for the combined company, manage its growth and achieve its performance targets; and other risk factors are described herein and in Corpay and Alpha's other respective filings, including Alpha's Annual Report and accounts for the year ended 31 December, 2024 and Corpay's Annual Report on Form 10-K for the year ended December 31, 2024 and subsequent filings with the U.S. Securities and Exchange Commission. Many of these important factors are outside of Corpay's or, as the case may be, Alpha's control. No assurances can be provided as to any result or the timing of any outcome regarding matters described herein or otherwise with respect to any regulatory action, administrative proceedings, government investigations, litigation, cost reductions, business strategies, earnings or revenue trends or future financial results.

Given the risks and uncertainties, undue reliance should not be placed on forward-looking statements as a prediction of actual results. Should one or more of the risks or uncertainties mentioned materialise, or should underlying assumptions prove incorrect, actual results may vary materially from those described in the relevant documents. Neither Corpay nor Alpha, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this Announcement will actually occur. Corpay, Alpha and their respective affiliated companies assume no obligation to update or correct the information contained in the documents in this part of the website, whether as a result of new information, future events or otherwise, except to the extent legally required (including under the Listing Rules and the Disclosure and Transparency Rules of the FCA). The statements contained in the documents in this part of the website are made as at the date of such documents, unless some other time is specified in relation to them, and service of the relevant documents shall not give rise to any implication that there has been no change in the facts set out in such documents since such date(s).

No Profit Forecasts, Estimates or Quantified Benefits Statements

No statement in this Announcement is intended as a profit forecast, profit estimate or quantified benefits statement for any period and no statement in this Announcement should be interpreted to mean that earnings or earnings per share for Alpha for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share for Alpha.

Disclosure Requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1% or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of: (i) the offeree company; and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th Business Day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th Business Day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1% or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of: (i) the offeree company; and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

Electronic Communications

Please be aware that addresses, electronic addresses and certain information provided by Alpha Shareholders, persons with information rights and other relevant persons for the receipt of communications from Alpha may be provided to Corpay during the offer period as requested under Section 4 of Appendix 4 of the Takeover Code to comply with Rule 2.11(c) of the Takeover Code.

APPENDIX I

CONDITIONS AND FURTHER TERMS OF THE SCHEME AND THE ACQUISITION

Part A: Conditions to the Scheme and the Acquisition

1. The Acquisition will be conditional upon the Scheme becoming unconditional and Effective in accordance with its terms, subject to the Takeover Code, by not later than 11:59 p.m. on the Long Stop Date.

 - (ii) such Court Meeting (and any separate class meeting which may be required by the Court) or any adjournment of any such Court Meeting being held on or before the 22nd day after the expected date of the meeting as set out in the Scheme Document (or such later date, if any, (A) as may be agreed by Corpay and Alpha; or (B) (in a competitive situation) as may be specified by Alpha with the consent of the Panel, and in each case with the approval of the Court if such approval is required);

If any such deadline is not met, Corpay shall make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether it has invoked or waived the relevant Condition or agreed with Alpha (or, as the case may be, the Panel) to extend the deadline in relation to the relevant Condition; and
 - 1.2. in whole or in part, all or any of the Conditions in Part A above, except for Conditions 2(a)(i), 2(b)(i) and 2(c)(i) (Scheme Approval), which cannot be waived.
2. The Acquisition will be subject to the satisfaction (or waiver, if permitted) of the Conditions in Part A above, and to certain further terms set out in Part D below, and to the full terms and conditions which will be set out in the Scheme Document.
3. Conditions 2(a)(i), 2(b)(i) and 3(a) to (n) (inclusive) must each be either fulfilled, determined by Corpay to be or to remain satisfied or (if capable of waiver) waived, by no later than 11.59 p.m. on the date immediately preceding the date of the Court Hearing, failing which the Acquisition will lapse. Corpay shall be under no obligation to waive or treat as satisfied or as remaining satisfied any of Conditions 3(a) to (n) (inclusive) by a date earlier than the latest date specified above for the fulfilment or waiver thereof, notwithstanding that the other Conditions to the Acquisition may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.
4. If Corpay is required to make an offer or offers for any Alpha Shares under the provisions of Rule 9 of the Takeover Code, Corpay may make such alterations to the Conditions as are necessary to comply with the provisions of that Rule.
5. Each of the Conditions will be regarded as a separate Condition and will not be limited by reference to any other Condition.
6. Under Rule 13.5(a) of the Takeover Code, Corpay may not invoke a Condition of the Scheme so as to cause the Scheme not to proceed, to lapse or to be withdrawn unless the circumstances which give rise to the right to invoke the Condition are of material significance to Corpay in the context of the Acquisition. Only Conditions 1 and 2 of Part A (and, if applicable, any acceptance condition adopted on the basis specified in paragraph 2 of Part C below in relation to any Takeover Offer) are not subject to Rule 13.5(a) of the Takeover Code. Corpay may only invoke a Condition that is subject to Rule 13.5(a) of the Takeover Code with the consent of the Panel and any Condition which is subject to Rule 13.5(a) of the Takeover Code may be waived by Corpay.

Part C: Implementation by way of a Takeover Offer

1. Corpay reserves the right to elect to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme with the consent of the Panel and subject to the terms of the Co-operation Agreement.
2. In such event, such Takeover Offer will be implemented on the same terms and conditions, so far as applicable, as those which would apply to the Scheme subject to appropriate amendments (in accordance with the terms of the Co-operation Agreement) to reflect the change in method of

effecting the Acquisition, including (without limitation) the inclusion of an acceptance condition set at a level permitted by the Panel and the terms of the Co-operation Agreement (being in any case more than 50% of the Alpha Shares). Further, if sufficient acceptances of such Takeover Offer are received or sufficient Alpha Shares are otherwise acquired, Corpay intends to apply the provisions of the Companies Act to acquire compulsorily any outstanding Alpha Shares in respect of which such Takeover Offer has not been accepted.

Part D: Certain further terms of the Acquisition

1. Alpha Shares will be acquired by Corpay with full title guarantee, fully paid and free from all Encumbrances and together with all rights attaching to them as at the date of this Announcement or subsequently attaching or accruing to them, including voting rights and the right to receive and retain, in full, all dividends and other distributions (if any) declared, made, paid or payable, or any other return of value or capital made, on or after the Effective Date.
2. If, on or after the date of this Announcement, any dividend and/or other distribution and/or other return of value or capital is authorised, declared, made or paid or becomes payable in respect of the Alpha Shares, Corpay reserves the right (without prejudice to any right of Corpay, with the consent of the Panel, to invoke Condition 3(k)(ii) in Part A above), to reduce the consideration payable under the terms of the Acquisition for the Alpha Shares by an amount up to the amount of such dividend and/or distribution and/or return of value or capital, in which case any reference in this Announcement or in the Scheme Document to the consideration payable under the terms of the Acquisition will be deemed to be a reference to the consideration as so reduced. To the extent that any such dividend and/or distribution and/or other return of value or capital is authorised, declared, made or paid or is payable prior to the Scheme becoming Effective in accordance with its terms and it is:
 - (i) transferred pursuant to the Acquisition on a basis which entitles Corpay to receive the dividend or distribution and to retain it; or
 - (ii) cancelled,

the consideration payable under the terms of the Acquisition will not be subject to change in accordance with this paragraph. Any exercise by Corpay of its rights referred to in this paragraph will be the subject of an announcement and, for the avoidance of doubt, will not be regarded as constituting any revision or variation of the Acquisition.

3. The Acquisition will be subject, inter alia, to the Conditions and certain further terms which are set out in this Appendix I, and those terms which will be set out in the Scheme Document and such further terms as may be required to comply with the Listing Rules and the provisions of the Takeover Code.
4. The availability of the Acquisition to persons not resident in the United Kingdom may be affected by the laws of the relevant jurisdiction. Any persons who are subject to the laws of any jurisdiction other than the United Kingdom should inform themselves about and observe any applicable requirements. Further information in relation to Overseas Shareholders will be contained in the Scheme Document.
5. The Acquisition is not being made, directly or indirectly, in, into or from, or by use of the mails of, or by any means of instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any jurisdiction where to do so would violate the laws of that jurisdiction and will not be capable of acceptance by any such use, means, instrumentality or facility or from within any such jurisdiction.
6. This Announcement and any rights or liabilities arising hereunder, the Acquisition, the Scheme, and any proxies is governed by the laws of England and Wales and is subject to the jurisdiction of the English courts and to the Conditions and further terms set out in this Appendix I and to be set out in the Scheme Document. The Acquisition will be subject to the applicable requirements of the

Takeover Code, the Panel, the London Stock Exchange, the Financial Conduct Authority and the Listing Rules.

This additional number of Alpha Shares has been calculated on the basis of the assumed number of Alpha Shares that may be issued under the Alpha Group Long Term Incentive Plan 2024, although the number to be issued might be different due to the application of performance conditions applicable to the awards. The number does not take into account any Alpha Shares that may become issuable in respect of the Subsidiary Schemes.
